To reinforce the top part, I made a second black part:
Crochet R 1 – R9 from top part again, fasten off and attach to the inside of the top part.

Cut a circle out of a cardboard piece and place on bottom (to stabilize).

Embroider eyes and eyebrows with black yarn and mouth with red yarn before you sew bottom and top together.

Sew top and bottom together and stuff firmly before you close.

Sew or glue roses on the head.

Rose:
Ch30, start in 2nd from the hook, (2dc, sl st in next st, ch3) repeat till end, fasten off and fold into rose shape.
I also made roses with a thicker sparkling yarn and made a 20chain for those.
For the roses on the sides of the head I also made a 20chain.

Put the pins in and ready!

Use your creativity to decorate your pincushion as you like!

Happy crocheting! Love Esther
